eTrackr User Conference – SURVEY RESULTS

4th May 2016, The IET, Savoy Place, London

Many thanks to all those who attended our User Conference event on May 4th. The day proved to be very successful and we received much positive feedback from those delegates kind enough to fill in feedback forms, which are summarised below:

Section 1 - Conference Objectives:

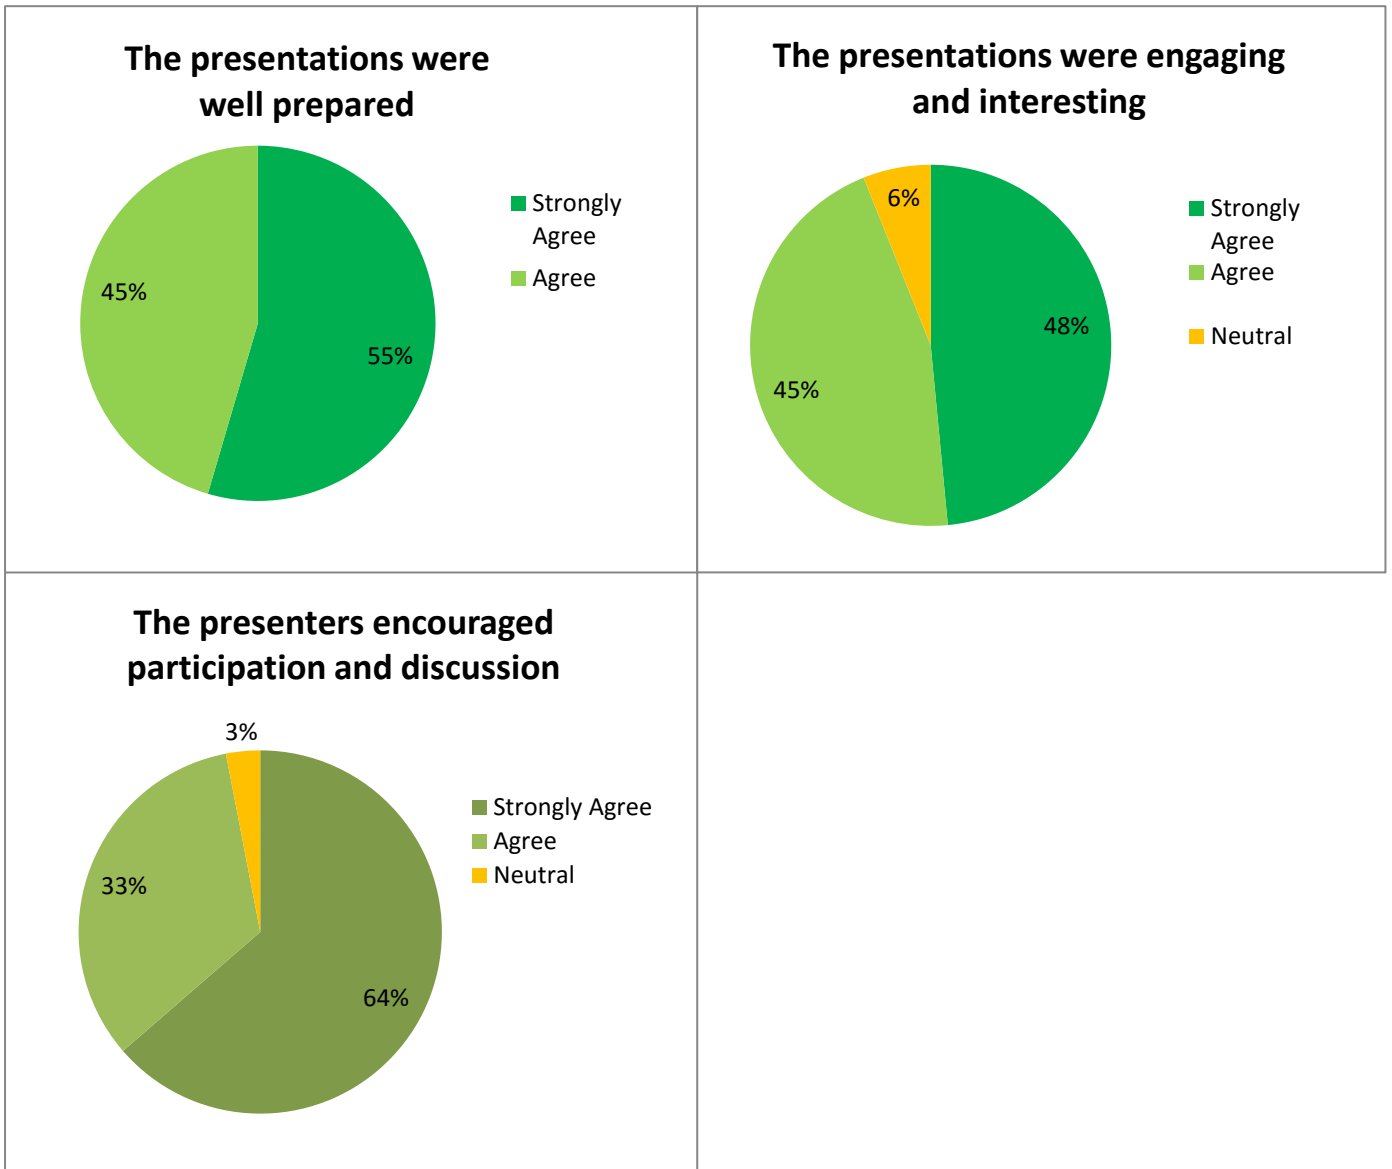

VLE SUPPORT LTD

eTrackr | eConsole | eNotify

Section 2 – Presentations

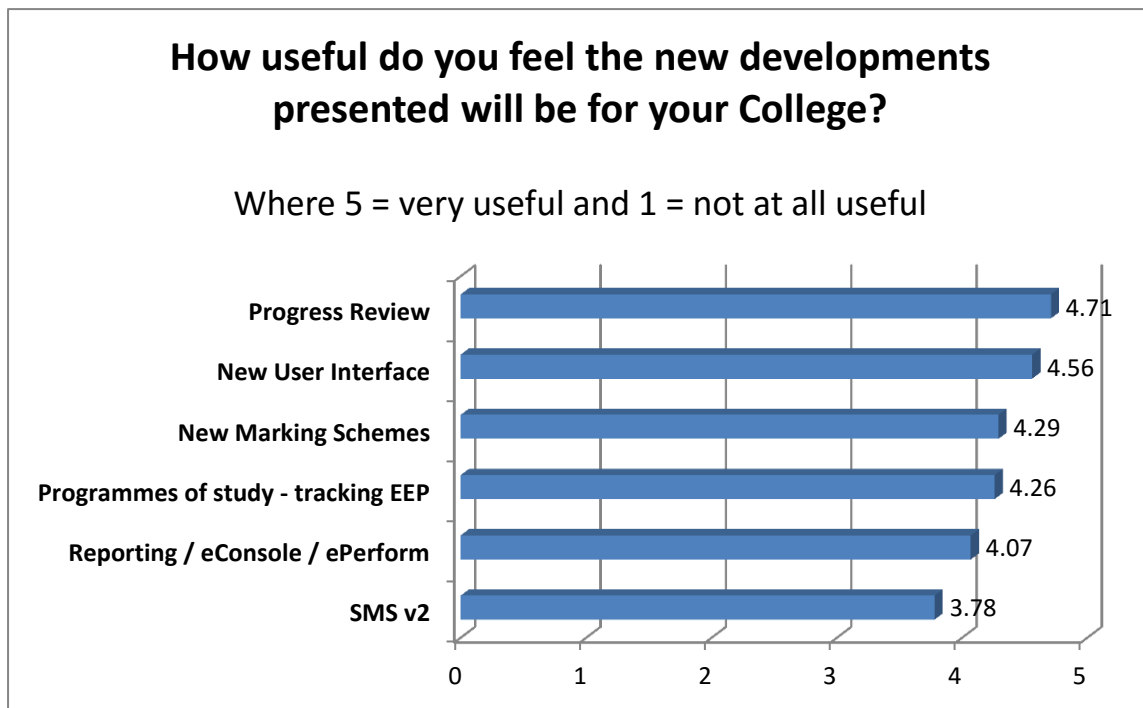

VLE SUPPORT LTD

eTrackr | eConsole | eNotify

Section 3 – Developments

Feedback regarding the new features of eTrackr was particularly positive, with all the new features scoring highly in terms of how delegates rated their usefulness. The new Progress Review feature was seen as the most useful new feature:
